

ELSE Uy

PROGRESS STATUS UNTIL 11/13/20

HRS International Meeting - November 13th, 2020

ELSE Uy Project challenges

Short term (2020 / 2021):

- Achieve the recognition of the Project by the national government by making it declared of national interest
- Ending of the pilot study protocol
- Formalize the collaborations of the interdisciplinary group (National Consortium ELSE Uy?)
- Obtain the resources needed for the pilot study implementation and the first two waves of the survey
- Conduct the pilot study
- Preparing the first wave

Medium term (2022 / 2025):

- Confirm the resources needed for the implementation of the first two waves
- Conduct the first two survey waves

Grupo interdisciplinario ELSE Uy al 13/XI/2020
