## Next stage

- ➔ Finish the 2021-23 wave
- ➔ CHARLS-HCAP: Detect and correct biases due to illiteracy, dialects and sensory function loss – Alden Gross
- ➔ Plan for a re-survey of CHARLS-HCAP in the next wave (2025)
  - Revise instruments to accommodate illiteracy, dialects and sensory function loss
  - Measure illiteracy, dialects, and sensory functions
  - Plan for a new validation study to allow for diagnosis of

➔ Thank you!
